## **Parents of Young Campers**

It is highly encouraged to have all colored belts attend the camp, regardless of age. The training is outstanding and the friendships that can be started are some that will last a lifetime. However, it is necessary to have all youth supervised by a responsible adult while they are at the camp. In addition to the karate training there will be activities during free time.

To encourage parents to bring their children and enjoy the camp there are special rates available for those who are supervising and not training.

### **Rates for Non-training Participants**

#### **Meals - \$ 60.00**

Meal prices cover only cost of food, therefore we are asking for the co-operation of some campers with help to prepare the meals during camp.

Like all camps we pitch in to help keep things clean.

If special arrangements are called for then the rates would be adjusted accordingly.
